!?
What happened? This area is suprisingly warm
Ah
What's wrong, you can come in here and wait
I feel tired to death .....

TN:When he says mmm he means it as a response similar to "yes" or "I understand"

The translation is a bit wonky the breakdown is that the imprint is perfectly shaped like a body was detected

I.....
feel like
I had a beautiful
.....dream
That's great...
I see you are dreaming of holding cotton candy, right?
Mhmm...
...where's Fumiho?
.....?

It's alright
She's gone
Well then... I'm going this way
OH!
So... Kiwako..... can...
can..... you... stay with me a little longer?
I have something to say

TN This is a rhetorical question, she is saying it with much sass
Haven't I told you
I'm tired to death?
Oh
Uh...
Then— then just stay for a while! 30 minutes! Pleeease?
I'll treat you to some French Melaleuca cake

芙三步沒有錯
是我太累了
"Thoughts"
Fumiho you did nothing wrong, I'm just tired
Kiwako ?
!?

Let's talk Tomorrow
okay?
*I don't wanna hurt you
*If I talk to her I might say something I shouldn't reveal
*I don't under -stand these feelings
Hmm?
Huh? What's happening

mm...
What is this..... cotton candy.....
or rather..... how do I explain this..... it's light and fluffy, like a cloud?

If I don't hold onto it tightly, I feel like it will disappear...?

TN: I think she means that if she doesn't hold onto something, she feels it will disappear but she doesn't understand why she thinks this way

I need to hurry home now
My family has a strict curfew, bye!
Oh no! I need to run faster than the wind
so my mom doesn't kill me
Okay!!
Sorry for this selfish request
Thanks for the hug Kiwako, it really calmed me down
